WELL-BEING IN NETWORKING SCHOOLS

NEWSLETTER

FINAL CONFERENCE

Co-funded by the European Union

Paredes de Coura, Portugal | 5th September 2026

The WINS project successfully concluded! Partners, educators, policymakers and stakeholders from across Europe gathered in Paredes de Coura to celebrate the project's achievements and its lasting impact on well-being in schools.

A MILESTONE ACHIEVED TOGETHER

The WINS Final Conference brought together educators, school leaders, researchers, policymakers and European partners to present the project's results, exchange good practices and discuss the future of well-being in education.

CELEBRATING OUR JOURNEY

We looked back on the WINS journey, highlighting the key milestones, collaborative work and achievements accomplished throughout the project.

"A shared journey with a lasting impact."

SHARING OUR RESULTS

Partners presented the project's main outcomes, including the Training Programme, the WINS App, the Policy Recommendations and the Impact Report developed during the project.

"Knowledge shared is impact multiplied."

INSPIRING PRACTICES

International speakers, educators and project partners shared inspiring experiences, innovative practices and successful approaches to promoting well-being in schools across Europe.

"Inspiring each other to go further."

THE WINS APP

The conference showcased the official WINS App, designed to support students' emotional well-being through practical strategies, self-reflection and daily well-being activities.

Key features presented:

- Emotional self-assessment
- Practical well-being strategies
- Personal reflection tools
- Easy access on mobile devices

LOOKING AHEAD

The conference reinforced the partners' commitment to ensuring the sustainability of the WINS project and continuing to promote well-being through future European cooperation and educational initiatives.

"Together for well-being. Together for the future."

THANK YOU!

A sincere thank you to all partners, speakers, schools, institutions and participants who made the WINS journey possible.

Together we built healthier, happier and more connected schools across Europe.
